6th October 2023

Dear Parent / Carer,

Re: Year 11 Intervention and Revision and Post-16 Evening

Revision and Post-16 Evening

Following our previous letter dated 22nd September 2023, we'd like to remind you that the Year 11 Revision & Post-16 Options Evening will take place on Thursday 19th October 2023 from 4:00pm to 6:00pm. This is a key event in the Year 11 calendar and attendance is extremely important to ensure we're working together to get the best outcomes for our Year 11 pupils.

The evening will commence with a short presentation in the main hall, and following the tour and subject visits, we're delighted to serve Fish & Chips from Barton's Fish & Chips, Longfield Road. These will be served from the Dining Hall serving hatch from 5:45pm, along with refreshments.

If you have not already registered your attendance, please register via the link below: -

Year 11 Intervention

I am sure you are aware of the importance of intervention and the opportunity it provides your child to catch up on any gaps in their knowledge. Attendance at intervention sessions is extremely important for examination success. To put this into perspective, in the 2022-23 academic year we had pupils that attended every session and improved their results by multiple grades. This level of effort and achievement opens many more opportunities when it comes to further education and career paths.

Therefore, we ask for your support in discussing with your child / children, how important their intervention attendance is to reach their true potential. We also ask pupils to appreciate that teachers are giving up their personal time to help pupils improve their knowledge and results.

Interventions sessions have now commenced, both in Form Tutor time on a morning and afterschool.

The morning intervention sessions are only for English and Mathematics and include all pupils in Year 11. It is therefore imperative that pupils arrive to school on time and are in their form room by 8:30am each day.

Afterschool intervention sessions have also commenced for pupils who have been identified by teachers as being behind target.

Morning intervention sessions are as follows: -

Monday	Tuesday	Wednesday	Thursday	Friday
Assembly	English	Maths	Maths	English

If you child has been selected to attend afterschool intervention, a timetable will be included with this letter.

Further Key Dates:

- Year 11 Mocks - 10th January 2024 to Wednesday 31st January 2024
- Year 11 Parents' Evening - 29th February 2024, 4:00pm – 6:30pm

Further information: -

Information regarding Year 11 rewards, including Passport to Prom will follow in due course. Please remind your child that these rewards are directly linked to an outstanding attendance at school, attendance at all requested intervention sessions, and their behaviour and conduct throughout the academic year.

Yours sincerely,

Mr N Willan,

Assistant Headteacher
