24th January 2024

Dear Parents / Carers

Please note, the following information is provided by the School Immunisation Team and any queries or concerns should be discussed directly with them.

Re: Year 9 - Tetanus, Diphtheria & Polio (Td/iPV) & Meningitis ACWY Immunisations on Tuesday 27th February 2024 at Longfield Academy.

Most children have been immunised against Tetanus, Diphtheria & Polio and Meningitis C as part of the childhood UK schedule. Guidance from NHS England recommends that your child now receives a booster dose of Tetanus, Diphtheria & Polio and Meningitis ACWY.

Information regarding these vaccines is available on the website:

[MenACWY vaccine - NHS \(www.nhs.uk\)](http://www.nhs.uk)

[3-in-1 teenage booster overview - NHS \(www.nhs.uk\)](http://www.nhs.uk)

You can also talk to your GP or Practice Nurse or contact us on the above number.

Please complete your online consent form by following the link below:

<https://nhsimms.azurewebsites.net/session/c8ecd0f6>

Deadline to complete the consent form is Monday 19th February 2024. If you do not wish your child to have the immunisations, please indicate this on the forms.

Please be aware that if we do not receive the signed consent forms each young person will be assessed on an individual basis and given the opportunity to give their informed consent to receive the immunisations.

If you have any queries, please do not hesitate to contact the Immunisation Team on T: 03333 583397 and select option 3.

Yours sincerely,

On behalf of the Northeast School Age Immunisation Service
