

Service provided by:

North East-Central, School Aged
Immunisation Service

Dear Parent / Carer

The immunisation team will be returning to your child's school on the afternoon of **Monday 8th July 2024** to complete Year 8 HPV vaccinations.

Your child was not vaccinated on the day we initially visited school (25th June 2024), as they either did not arrive for their vaccine, or we did not have your consent.

If you previously gave consent and wish to withdraw this so that your child does not receive the vaccination, please contact the vaccinations team at least 24 hours prior to the session so that we can withdraw the entry.

If you did not previously give consent and would like your child to receive the HPV vaccination, please complete your consent form by the 3rd July 2024 using the link below.

<https://nhslmms.azurewebsites.net/session/a8a812a5>

If you have any problems completing your form, please telephone 0333 358 3397.

Kind Regards,

Immunisation Team
